## 6 Italian hotels among the 50 most popular dog-friendly hotels in Europe

- hundehotel.info Award 2021 honours the 50 best hotels which are perfect for holidays with dogs
- Europe's most popular dog-friendly hotel is located in Germany
- 6 Italian hotels are represented in the Top 50

(18.03.2021, Friedburg, Austria) - Europe's most popular dog-friendly hotel is located in Germany. This is the result of the evaluation of the hundehotel.info Award 2021. A total of 674 dog-friendly hotels from 10 European countries were evaluated by the editorial team of the German-speaking platform [www.hundehotel.info](http://www.hundehotel.info). As in the previous year, Landhotel Haus Waldeck (Germany) triumphed, followed by Hotel Magdalena (Austria) and Hotel Grimming Dogs & Friends (Austria). In 2021, five hotels from South Tyrol and one hotel from Emilia-Romagna have made it into the top 50 too.

For the hundehotel.info Award 2021, the criteria of facilities, service and guest opinions of 674 dog-friendly hotels were evaluated in detail. The final ranking is based on the total number of points for all factors. The ratings of the hundehotel.info users as well as the 3 major rating portals Google, TripAdvisor and HolidayCheck are included in the ranking. A special feature is the self-developed "no-fake factor", which relates the number of bad reviews of each hotel to the number of its rooms. This value cannot be distorted by the hotel operators marketing.
