Croatian hotel among the 50 most popular dog-friendly hotels in Europe

- hundehotel.info Award 2023 honours the 50 best hotels which are perfect for holidays with dogs
- Europe's most popular dog-friendly hotel is located in Germany
- One Croatian hotel is represented in the Top 50

(30.03.2023, Friedburg, Austria) - Europe's most popular dog-friendly hotel is located in Germany. This is the evaluation result of the hundehotel.info Award 2023. A total of 701 dog-friendly hotels from 12 European countries were evaluated by the editorial team of the German-speaking platform www.hundehotel.info. As in the previous year, Landhotel Haus Waldeck (Germany) triumphed, followed by Naturforsthaus (Austria) and Natur-Hunde-Hotel Bergfried (Germany). For the third time, a hotel from Croatia has made it into the top 50: VILCAM in Pakostane (Dalmatia) came in a strong 38th place.

For the hundehotel.info Award 2023, the criteria of facilities, service and guest opinions of 701 dog-friendly hotels were evaluated in detail. The final ranking is based on the total number of points for all factors. The ratings of the hundehotel.info users as well as the 3 major rating portals Google, TripAdvisor and HolidayCheck are included in the ranking. A special feature is the self-developed "no-fake factor", which relates the number of bad reviews of each hotel to the number of its rooms. This value cannot be distorted by the hotel operators marketing.
