- One Croatian hotel is represented in the top 50

(10.04.2024, Friedburg, Austria) - Europe's most popular dog-friendly accommodation is located in Austria. This is the result of the hundehotel.info Award 2024. A total of 708 dog-friendly accommodations from 12 European countries were evaluated by the editorial team of the German-speaking platform www.hundehotel.info. The accommodation Naturforsthaus (Austria) triumphed for the first time, followed by Hunderesort Waldeck (Germany) and Natur-Hunde-Hotel Bergfried (Germany). For the fourth time, an accommodation from Croatia made it into the top 50: VILCAM in Pakostane (Dalmatia) took the 42nd place.

For the hundehotel.info Award 2024, exactly 708 dog-friendly accommodations were evaluated in detail on the criteria of facilities, service and guest opinions. The final ranking is based on the total number of points for all factors. The ratings of the hundehotel.info users as well as the 3 major rating portals Google, TripAdvisor and HolidayCheck are included in the ranking. A special feature is the self-developed "no-fake factor", which relates the number of bad reviews of each accommodation to the number of its rooms. This value cannot be distorted by the marketing of the hotel operator.
